January 2022

Dear Parents/Guardians of all Reception to year 6 children,

The immunisation team are attending school to administer the Flu Nasal spray on Monday 31st January. If your child develops a wheeze within 3 days before or if your child has already received the vaccine at your GP, can you please inform the immunisation team prior by calling 0151 2953833

It's not too late to protect your child against flu!!

Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu. With COVID-19 in circulation it is more important than ever to reduce the number of those becoming ill with flu this winter to help protect them and the NHS and each other.

Please click the link below to complete a consent form and we will get your child protected with a quick and simple spray up the nose.

We can also offer the injectable porcine free flu vaccination if your child can not receive the nasal spray you can consent using the same link. Firstly select NO to the nasal spray then click YES for the porcine free vaccine

https://forms.merseycare.nhs.uk/flu-vaccination

You can also call to book an appointment at one of the clinics below:

Saturday 15th January - Everton Road Health Clinic, L6 2EH

Saturday 22nd January – Princes Park Health Clinic, L8 0SY

Saturday 29th January - Princes Park Health Clinic, L8 0SY
