# Curiosity

“I have no special talents. I am only passionately curious.” —  
Albert Einstein.

What does curiosity look like?

People who show curiosity:

- Ask lots of questions
- Discover new things on their own
- Have a strong desire to learn

People who show curiosity realise:

- If you ask questions, you will find out new things
- Discovering new things on your own gives you a huge sense of achievement
- Having a strong desire to learn helps you to understand things better

People show curiosity by:

- Asking questions
- Discovering new things of their own
- Having a strong desire to learn
