

A decorative border of yellow stars of various sizes surrounds the text. The stars are scattered along the top, bottom, and sides of the page.

Dear Parent/Carers,

You should now have received your child's school report. I'm sure you'll share in our pride and delight in the successes and achievements your child has made this year.

We know that this year has been very different to our typical school year, with some of your child's learning taking place at home. We think this learning should be equally valued and celebrated, therefore we would like you and your child to reflect upon their achievements at home.

We would love to hear about all about the things your child has accomplished during this time. It could be a new skill such as learning how to ride a bike, cook a meal or how to sew or something that they have improved upon such as reading. Please record the things you and your child are proud of below.

Best wishes,

Greenbank Primary School

I am proud of...
