

Home Learning Project w/c 22.6.20 - Sport

Lower Key Stage 2

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
<p>This week you will find a range of maths tasks with a 'sport' theme on the separate PDF (LKS2 – w/c 22.6.20 – Sport Maths activities). The answers for the challenges are also available on a separate pdf on the website.</p> <p>Extra activities:</p> <ul style="list-style-type: none"> ● Continue to work on Times Table Rockstars - your child will have an individual login to access this (20 mins on SOUND CHECK). ● Continue to work on 'NumBots' using the same login as TTRS. ● Play on Hit the Button - focus on number bonds, halves, doubles and times tables. ● Sign up to The Maths Factor if you haven't already – it's free at the moment and Carol Vorderman has designed a great online program for learning. ● Practise counting forwards and backwards from any given number in 6s. 	<p>This week's reading tasks are based around a range of non-fiction books:</p> <ul style="list-style-type: none"> - Sportopedia – An illustrated introduction to the world of sport by Adam Skinner. - Women in Sport – 50 fearless athletes who played to win by Rachel Ignatofsky. - Stories for Boys Who Dare to Be Different – true tales of amazing boys who changed the world without killing dragons by Ben Brooks. - Boy oh Boy by Cliff Leek <p>There is a supporting PDF/PowerPoint and answer sheet for you to work through each day and respond to in different ways. We really hope you enjoy it!</p> <p>Extra reading activities if required:</p> <ul style="list-style-type: none"> ● Watch Newsround and discuss what is happening in the wider world. ● Get your child to read a book on Oxford Owl, discuss what your child enjoyed about the book. ● Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word? ● With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers
Weekly Spelling Tasks (Aim to do 1 per day)	Weekly Writing Tasks (Aim to do 1 per day)
<ul style="list-style-type: none"> ● Practise the Year 3/4 Common Exception words. ● Practise your spelling on Spelling Shed ● Practise a range of spelling games on Top Marks. ● Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified? ● Choose 5 Common Exception words and practise spelling them using words within words. Write the word and find smaller words within them, e.g. spelling = line, gel, in, etc.... 	<p>This week's writing and grammar tasks are all linked to the texts and provide you with an opportunity to use a range of skills. There is a supporting PDF/PowerPoint and answer sheets for you to work through each day and respond to in different ways. We really hope you enjoy these activities!</p> <p>Further writing activities:</p> <ul style="list-style-type: none"> ● Take part in a writing master class.

This project this week aims to provide opportunities for your child to learn more about 'sport'.

- **Let's Wonder:**

What is your favourite sport and why? Do you play a sport – if so what is it and why do you play? If you could be any sporting person, who would it be and why? What **traits/qualities** do you think a sportsperson needs in order to be successful?

- **Let's Create:**

This week you could create your own certificates, medals or trophies for our Virtual Sports Day. Or perhaps you could design your own sports kit for your favourite sporting team e.g. rugby, football or athletics kit. Or maybe the kit could be for yourself for a sport you love taking part in?

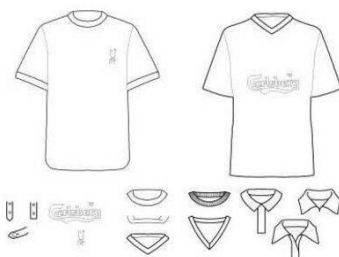

Could you design your own ball e.g. football, cricket ball, basketball etc. with a print on?

Or how about designing a pair of trainers?

Some of you might like surfing or skateboarding and could design your own board.

There are lots of design options this week, so be as creative as you like and don't forget to tweet your fabulous designs for us all to see.

We are sure lots of you will have your own ideas too!

- **Be Active – Virtual Sports Day:**

This week Miss Ball has arranged lots of fantastic sporting opportunities for you all to take part in. Please see the separate information for all her fabulous sporting events. We really hope you take part and share your photographs or videos with us via our email address or twitter.

- **Time to Talk / Understanding Others and Appreciating differences:**

The Paralympic Games are a major international sports event. Athletes with physical disabilities compete in these games and are called Paralympians. This includes athletes with mobility disabilities, amputations, blindness, and Cerebral Palsy. Why is it so important that we have sporting events such as The Paralympic Games?

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.

[Oak National Academy](#) (launched 20th April 2020) - backed by the DfE, it will provide 180 video lessons each week, across a broad range of subjects from maths to art to languages, for every year group from Reception through to Year 10.

[BBC Bitesize](#) (launched 20th April 2020) - Bitesize has 150 new lessons every week to keep you on track with your learning. You'll find daily lessons for home schooling in Maths and English for every year group, as well as regular lessons in Science, History, Geography and more. The home schooling lessons have been created with teachers and other educational experts. They feature a mix of videos, animations, practice activities, quizzes and games.

Please share any of your learning with us @GreenbankYear3, @GreenbankYear4,
@GreenbankPE and @ArtandDesignGB

Remember, you can email us with your learning at the following email addresses:
