

Whole School Assessment Summary – Summer 2020

As part of steps taken to fight the spread of coronavirus (COVID-19), the government announced that all exams due to take place in schools and colleges in England in summer 2020 were cancelled and that it would not publish any school or college level educational performance data based on tests, assessments or exams for 2020.

Therefore, we will not be able to publish our school's performance data based on summer 2020 tests or assessment. Furthermore, there will be no national, regional, local or constituency statistics published for any primary school assessments for the 2019 to 2020 academic year. This includes: early years foundation stage profile, phonics, key stage 1, multiplication tables check and key stage 2 exams and assessments.
