

22nd January 2024

Dear Parents and Carers

Due to Government legislation which stipulates the exact number of hours children are to be educated for. We have had to make some alterations to our school hours.

From Monday 29th January 2024, times of the school day will be slightly different for some year groups.

Nursery AM children – (8.45am – 11.45am). Gates will open at 8.40am. Children will enter their classroom at 8.40am, ready for learning to start at 8.45am.

Nursery PM children - (12.30pm – 3.30pm). Gates will open at 12.25pm, ready for learning to start at 12.30pm.

Nursery Wraparound children – (8.45am – 3.30pm)

Please note Nursery PM children and wraparound children will end their day at 3.30pm. If you have older children to collect from school, please do this first before entering the Nursery playground. Children will not be dismissed from Nursery until 3.30pm. Can we please ask parents and carers to wait away from the classroom doors or windows, as it can be unsettling for the children when their learning is continuing. Gates will not open until 3.10pm.

Thank you for your continued support.
