

October 2025

Dear Parents and Carers

We are now beginning to send home reading books each week for children in Reception. We kindly ask that you read with your child each day. Sharing stories together is a wonderful way to develop their reading, understanding of language and storytelling

Their folder will come with a label indicating the designated day for its return, so please make a note of this. It is very important that books are returned on that day as they will be needed for other reading groups the following week.

As with any valued resource, we ask everyone to take care of the books. In the unfortunate event that a book is lost or damaged beyond repair, we will need to charge a fee of £5 to replace it. We appreciate your understanding in this matter.

Thank you for your continued support.

Happy reading!

Kind regards

Reception team
