

Dear parent/guardian,

I am writing to invite your child to join the **Young Philosophers Training (YPT)** enrichment for Y4-6 pupils at Greenbank Primary on Wednesdays (starting 10th September) after school. Six sessions will run as an initial first block, with children involved developing thinking and discussion skills through exploring and discussing the big questions about life, the universe, morality, society, art and much more. This first block of sessions is **free of charge**, made possible through a generous donation from a parent of a former Greenbank pupil.

Pupils work on developing character, participation, communication, and presentation skills. The ethos of the group is one of support, encouragement, collaboration, and lots of fun through games and activities!

More information about YPT can be found on our website here:

There is a maximum of 20 pupils in the YPT group at Greenbank and so, given that children take part from three year groups, there may be high demand for places. If you would like to book a place for starting on 10th September, here is the link:

If you have any questions about the YPT programme, please do get in touch. My e-mail address is glenn@thethinkerhub.com

Best wishes,
