Friday 22nd May – Year 4 Chester Trip

Friday 22nd May – School closes at normal time for Half Term Break

SAT's Reminder for next week

During SATs week (Monday – Thursday) our Year 6 pupils are welcome to come in to school early (8.00am) for breakfast before taking their end of Key Stage tests. This is a super opportunity for the children to help encourage and support each other.

The children have worked hard all year and, given that they will all do their best, we are confident they really do have nothing to worry about.

Parental engagement:

As a school, we are constantly striving to improve how we communicate and engage with our families. Following the feedback from our recent parent survey and our dedicated feedback session, we are excited to launch a new initiative.

Before half-term, we would like to invite parents to nominate themselves as a 'Parent Representative' for their child's class.

What does this involve?

We are looking for parent volunteers from each class who are willing to meet on a half-termly basis to share feedback, discuss school improvements and strengthen the partnership between home and school. There will be a letter with further details about this coming home with your child in the near future.

Thank you for your continued support.

Maths at home:

We always encourage supporting your child with their Maths at home.

Just to clarify with parents/carers, we no longer use Mathletics as a school, but would encourage you to continue to help your child with their timetables and number bonds while we look in to other resources to help your child with their maths online.

the friends of
Greenbank Park

invite you to the annual
