Bikeability:

Bikeability is the government's national cycle training programme. It helps your child learn practical skills and understand how to cycle on today's roads.

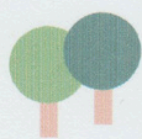

This week our Year 5 pupils have been out with the Bikeability Team learning road safety skills which they can take with them when out and about.

The School Council are running a competition to design a birthday card for Sir David Attenborough who turns 100 on the 8th May. Designs should be completed on A5 paper and be passed to a member of the school council.

The deadline is Thursday 14th May. School Councillors will pick a winning design from each year group on Friday 15th May.

They are also continuing to sell raffle tickets for a fantastic LFC hamper - £1 per strip.
