A Message from the School Council:

The school council have raised money to spruce up the
playground with plants and greenery. If any parents/carers
have any bulbs, plants, pots etc that they would like to donate
too they would be very grateful!

Please pass to the school office if you are able to.

Attendance:

We have had a large number of families request 'Leave in term
time'. Parents taking their child out of school in term time should
always do so in writing using the official form which can be
obtained from the school office.

Please do read the section on our school web site which outlines
the importance of school attendance and Penalty Notice
procedures which are in force from Liverpool City Council for all
children taking leave in term time:

<https://greenbank-primary.co.uk/attendance/>

International Food Evening:

Thank you to all the families who cooked or baked food for our International Food evening on Wednesday evening. We had a great turn out and it was a fabulous time to eat delicious food from all over the world and socialise with one another. We will be doing it again next year if you weren't able to join us!

Greenbank Good News:

Well done to Inaayah for winning her Portico Sadie Massey Award for young readers and writers!

She received a goodie bag with some books, two of which she was able to get signed by the author who was one of the judges. Her story has also been published in an anthology that will be permanently available on the shelves of the historic Portico library! She has also brought a copy for the school to keep. She also met the production designer of Bob the builder - Curtis Jobling, along with some other authors!
