Thank you, parents

We are so grateful for your support in getting the children to school during this extreme heat. Thank you for sending them in with water bottles, sun hat precautions and sun cream. The children have coped wonderfully, and we are doing everything we can to keep them cool, hydrated, and safe inside. Hopefully next week should be cooler temperatures

Join the free Summer Reading Challenge at Your Local Library!

Dear parents and carers,

We're excited to invite your child to take part in this year's Summer Reading Challenge

– Read to the Beat! – completely free at your local library!

What is the Summer Reading Challenge?

The Summer Reading Challenge is a fun, free way for children aged 4–11 to stay motivated to read during the summer holidays. Children set their own reading goal and can read anything they enjoy – all books count!

Why should my child sign up?

One in four children hasn't reached the expected level of reading by the age of 11 and many will struggle to keep up at secondary school, despite reading for pleasure being one of the single biggest indicators of children's development.

The Summer Reading Challenge helps your child to:

- Build confidence and self-esteem
 - Stay prepared to return to school in the autumn
 - Settle into a new year group
 - Access free books and fun family activities all through the summer at your local library
- Your child will be part of a UK-wide programme developed by The Reading Agency, delivered in partnership with the public library network, and this year powered by Universal Music Group UK – whose artists will be championing the joy of reading and sharing their own stories of creative expression. All brought to life with wonderful illustrations by award-winning author and illustrator Harry Woodgate. Your child will be part of a UK-wide programme developed by The Reading Agency and delivered in partnership with the public library network.

How can my child take part? (Library or online)

At the library:

- Visit your local library to sign up – see if they are running a Super Sign Up Saturday!
- Set a summer reading goal and choose from books, eBooks, or audiobooks. Check out the Read to the Beat Collection for suggestions
- Receive a special sticker booklet and collect rewards for reading

Or online

Visit summerreadingchallenge.org.uk

- Sign up, set a reading goal, and get book recommendations
- Unlock digital badges and earn a printable certificate

When does it start?

Liverpool: Saturday 4 July (Please check with your local library for specific start and finish dates in your area.)

Use the Library Finder to locate your nearest library.

Don't miss out – head to your local library and sign up this summer!

Well done:

As part of our positive behaviour rewards system, all the children who saved up 60 stars on their charts were rewarded with a trip out of school to Greenbank Park on Tuesday. They enjoyed ice lollies, a game of rounders and time in the play area.

Well done to you all we are so proud of you.

Thank you to the parents who helped accompany them too!

Dear Parents and carers,

Changes to holiday support from Summer 2026

From summer 2026, schools will no longer give supermarket vouchers during the holidays. This is because the government has changed how it provides funding for people who need financial help.

What support will be available?

Help will still be available, including support with food during school holidays. This support will be aimed at people facing unexpected financial difficulties. It will be based on your household's needs and may include:

- Practical help
- Advice and guidance
- Support from local services and community groups

Other support you can access

There is also a wide range of other help available:

- **Holiday Activities and Food (HAF):**Free activities, healthy meals and fun opportunities for children and young people during the school holidays
- **Help to improve your finances:**Local and national support to help families increase income and manage money
- **Free School Meals:**Available during term time if your child is eligible

How to apply

When schools break up for summer, you can apply online for crisis support at: liverpool.gov.uk/crf

The application is simple. We will ask a few questions about:

- Why you need support
- Your income

If you cannot apply online, we can help you. Please contact our customer engagement team or financial inclusion team.

Find out more [Visit the city council website](#) and search "Crisis Resilience Fund".

Yours sincerely,

Jude
