4th November 2026

Dear Parents and Carers

Forest School - Class 6L

Monday 30th November 2026 will be the last Forest School session for class 6L. School is extremely grateful to Forest School Organisers Louise and Jean and to the parent helpers who help to set up. School has received some lovely feedback from the sessions, so following this we would like to invite parents and carers to attend the last session in Greenbank Park on Monday 30th November 2026.

If you can attend please arrive at 2pm at the park entrance gate on Elmbank Road. The session will last approx. 1 hour.
